

OFFICIAL FINANCIAL COOPERATION BETWEEN GERMANY AND NATIONAL  
NATURAL PARKS OF COLOMBIA

**ADVERTISEMENT OF PRE-QUALIFICATION**

---

**Consultancy**

**Biodiversity Conservation,  
Sustainability of Marine and Coastal  
marine resources, sustainable tourism,  
and fisheries management and marine  
protected areas management**

**Closing Date: May 22, 2014**

---

**Countries: Costa Rica, Colombia, Ecuador and Panama.**

**Ref- N °: 31358**

**Pre-qualification**

**Ref:** "International Competitive Bidding for Consultancy Services for the implementation of a pre- feasibility study of investment project in the Eastern Tropical Pacific Seascape - ETPS".

**Contracting Entity:** National Natural Parks of Colombia (NNP).

**Funding:** Official German Financial Cooperation through KfW.

**Program Actions:** The main objective of the study is to identify options for the formulation of an investment project in the region of the Eastern Tropical Pacific Seascape - ETPS, this is a regional initiative that began as an agreement between the governments of Costa Rica , Colombia, Ecuador and Panama in order to work together and ensure the conservation of biological diversity and sustainability of marine resources between five marine protected areas : Galápagos National Park, Coiba Island National Park, Gorgona National National Park, Wildlife Sanctuary Malpelo and Cocos Island National Park.

**Services Required:** The consulting firm will provide consulting services through a team of experts that will be coordinated by an expert with extensive experience in biodiversity conservation, sustainability of marine coastal and marine resources, sustainable tourism, fisheries and management of marine areas, whom has developed work at least 2 of the 5 marine areas under the ETPS. The consulting team members must have fluent communication skills in Spanish.

This pre-qualification will be based on the latest version of the "Guidelines for the recruitment of consultants under Financial Cooperation with Official member countries, which can be found at the following website:

<https://www.kfw-entwicklungsbank.de/Download-Center/PDF-Dokumente-Richtlinien/Consulting-S.pdf>

Services is expected to award a qualified independent international consulting firm, in cooperation with a company local / regional consultant with demonstrated experience in the sustainability of marine resources. The minimum turnover of the consulting firm candidate will be € 700,000.
